

How Pricing Works

Every engagement is customized to the unique goals, timeline, and complexity of your project. Because no two clients or career paths are the same, all invoices are built individually based on:

- Complexity and Scope (e.g., from-scratch writing, level of career transition, depth of achievements)
- Turnaround Expectations (standard vs. accelerated deadlines)

What's Included in Every Resume Revamp:

- Free Strategy Consultation and Critique (as needed)
- Analysis of up to 5 Job Postings to align keywords, competencies, and value propositions
- Full 1-Hour Interview to extract achievements, scope of accountability, and differentiators
- Complete Rewrite in a modern, ATS-friendly template
- Unlimited Revisions during your revision window

LinkedIn Profile Update & Optimization

- Recruiter-friendly profile settings for increased visibility
- Headline, About Section, and Experience Summaries rewritten for clarity and impact
- Optimization of all technical categories, including Skills, Certifications, Project Listings, and more
- Keyword alignment to ensure your profile surfaces in recruiter searches
